

2011-2012 Annual Appeal For GAC

Your extra support for GAC through the Annual Appeal makes all the difference in helping the Council to fulfill its mission of encouraging artists and building audiences for the arts. GAC is not only an umbrella organization housing six of the most vibrant cultural institutions in Greenwich, but is also a vital presenter of the visual, literary and performing arts from Art to the Avenue each May to its ongoing arts education outreach in the public schools.

Your gift to the Annual Appeal makes it all happen.
